Welcome to

Farmville Baptist Church!

WHAT DO WE BELIEVE?

The Scriptures: The Bible is the divinely inspired Word of God and is God's revelation of Himself to man. It is completely authoritative for doctrine and instruction in living.

God: The eternal triune God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

God the Father: God as Father reigns with providential care over His universe and is Father in truth to those who become His children through faith in Jesus Christ.

God the Son: Christ is the eternal Son of God. He is the one and only way to be brought into a right relationship with God the Father.

God the Holy Spirit: The third Person of the Trinity now indwells every born-again believer, giving the believer the desire and power to understand the Word and obey its instruction.

People: All people are created in the image of God, but they are born into a sinful state which separates them from God. Salvation is not achieved by doing good works but by faith in the finished work of Christ on the cross.
